

The Wool Festival at Taos

October 1 & 2, 2011 - Always the First Full Weekend in October

An Invitation

WHAT: Bosom Friends

WHERE: Kit Carson Park, The Wool Show Tent

WHEN: Sunday, October 2

TIME: 9:00-3:00

For the very first time, The Mountain and Valley Wool Association, sponsor of The Wool Festival at Taos, is hosting **Bosom Friends**, a volunteer group.

A purpose of the wool festival is to encourage creative uses of natural fiber. And what could be more creative than using soft, natural fiber to provide prostheses for mastectomy patients.

Founder, Peggy McIntosh, invites you to join her in the Wool Show Tent "Pink Place" and will be on hand for technical assistance and information. Bosom Friends supplies the fiber (and tools if needed) and you supply the skills – crocheting or knitting. Because creativity reigns you can even "tattoo" a bosom with a cheerful emblem or message.

So join us in the "**Pink Place**" within the circle of tents in Kit Carson Park during the annual Vendor Booth weekend and

Make a Bosom, Be a Friend
